

Beckwith Recreational Facility & Carleton Place Soccer Fields 2011 Questionnaire

These questions are intended to help the Carleton Place Soccer Club gain information on how to better serve our members. Our goal is to consistently improve our fields and facilities. Please take the time to answer honestly and concisely to the questions below. Your feedback is much appreciated.

How do you find the field conditions?

Do you find that the fields are well maintained?

Have you had any feedback from the parents about the field conditions or facilities in general?

Do you have any ideas on how you can improve the fields?

Has there been a negative situation that could've been avoided?

Is there anything else that you would like to comment on? It does not have to pertain to fields and facilities.
